

SK GROUP

HEALTH FOR LIFE

About us

Ess Kay Herbs is a company that has been operating in the field of medicinal herbs and spices for over **75 years**. With its main office located in Lucknow and a branch office in Bangalore to better serve our clients in the South. The company has established itself as a reliable supplier of **high-quality medicinal herbs and spices**.

Over the years, Ess Kay Herbs has built a reputation for providing top-notch products and services to its customers. The company is dedicated to sourcing the finest medicinal herbs from all over the country and delivering them to its clients in a timely and efficient manner. In addition to its commitment to quality, Ess Kay Herbs is also dedicated to providing its customers with **exceptional customer service**.

Our mission

Sourcing the best herbs, processing them properly, and packaging them in a way that preserves their potency and freshness.

Our vision

To establish and maintain partnerships with farmers, herbalists, and other industry professionals to promote the responsible use and preservation of medicinal herbs
